April 2018

TSB
East Kilbride
Charity of
the Year

Statistics

In total, an estimated 850,000 people in the UK have dementia.

There will be over one million people with dementia in the UK by 2025.

This will soar to about two million by 2051. (www.alzheimers.org.uk, July 2017)

It is estimated that there are 90,000 people in Scotland with dementia, (3,200 under 65) and that the figure is expected to double in just one generation.

South Lanarkshire has the 4th highest prevalence of dementia in Scotland.

CARE STANDARDS

From April 2018, The National Care Standards for Support Services and Care-Homes were replaced by one combined set of standards:

“Health and Social Care Standards. My support, my life.”

Anyone wishing a copy of the new standards can pick up a paper copy from our office or download a copy from our website.

www.dementiacarers.co.uk

Can you help?

If you would consider supporting us by standing order, making a one-off donation, or organising an event, we would love to hear from you.

We need to fundraise at least £50,000 this year to carry on providing a much needed service, and a further £35,300 to replace our minibus.
